CCC Fong Yun Wah Primary School

Year 2017-2018 Notice No.14

Dear Parents,

12nd September, 2017

'Chinese Strengthening Tutorial Class' for Non-Chinese Speaking Students

Our school values support for non-Chinese speaking (NCS) students, as well as provision of resources to aid learning efficiency and potential development for students. 'Chinese Strengthening Tutorial Class' aims to provide learning support for non-Chinese speaking (NCS) students. Our school starts to adapt 'withdrawal approach' in Chinese Language teaching in the first term in this academic year, so as to support the studies of non-Chinese speaking (NCS) students.

Our school suggests your child to join the 'Chinese Strengthening Tutorial Class', which means that when your child is having Chinese lessons, he/she will be withdrawn from his/her original class, so as to receive Chinese strengthening tuition. For other classes, he/she will be having lessons with the classmates in his/her original class.

Should you have any enquiries regarding the details of the programme, please do not hesitate to contact Mr. Tam at 22519751.

Yours faithfully,

_____

(Principal)
