Issues regarding 'P.6 Internal Examinations for the purpose of Secondary School Places Allocation and SSPA System arrangement'

(Only for P.6)

Dear Parents,

Please read and know the following information about P.6 students' examinations and SSPA System matters:

1) 2nd Internal Examinations for the Purpose of Secondary School Places Allocation

The Education Bureau announced to all schools in Hong Kong on 14th February that due to the seriousness of the epidemic, it announced the cancellation of the 2nd Internal Examinations for P.6 in Hong Kong. According to the guidance of the Education Bureau, in the Central Allocation stage, the reference grades will be calculated by the second term exam in P.5 and the first term exam on P.6.

2) Assessments Schedule in March

The examinations originally scheduled on March 24, 25, 28 and 29 will be changed to subject assessments. The assessment papers include four subjects: Chinese, English, Mathematics and General Studies. The results of this assessment will not be included in the transcript.

3) Central Allocation Matters

➤ **School Selection Process**

The school selection process in the "Central Allocation Stage for Secondary Schools" will be from April 11 to 29, 2022. Parents need to fill in the Central Allocation School Selection Form to select the three unrestricted secondary schools in Part A and the 30 schools in Part B. middle school. The school selection information and the form will be released on 11th April, parents need to fill in the first draft of the school selection form on or before 25th April and submit it to class teachers for reviews and advice before filling in the official form. The official school selection form must be returned to the school on or before 30th April for processing.

- Processing of those who have been notified by secondary schools for admission

If you have applied for a secondary school in the DP stage in January this year, and received a secondary school application notice on 31st March, or have confirmed admission to a local DSS or private secondary school, you do not need to fill in the Central Allocation School Selection Form A Part or Part B, parents only need to sign the school selection form and return it to the school for processing.

- Seminar about "Central Allocation Stage"

The school selection process for the "Central Allocation Stage" is complicated. Our school plans to conduct a seminar in early April to let parents know the details. The details of the seminar will be announced later.

Parents are requested to submit the e-class reply slip before 28th February, 2022 (Monday). Should you have any enquiries, please contact Ms Mak at 2251 9751.

Yours faithfully,

(Tse Ka Ying, Principal)
